Texas TSA State President Report

Kristina Worley

State Leadership Team meeting in October- We met in Waxahachie, Texas

-We wrote the fall newsletter.

-Finalized the plans for the Statewide Leadership Conference

December

-Statewide Leadership Conference

-It was a great success.

-We tried out some new things this year.

-Our sessions were wonderful. I truly think that the students got something out of it.

-Our guest speaker Stanley Wyre was a wonderful. He opened the eyes of some of the students by telling him about what all he has done in TSA and what all anybody can do if they want to be actively involved.

-We had bingo night where the leadership team all brought prizes that would be given away. All the proceeds went to ACS. We raised about $444.

February

-This weekend we are working on our spring newsletter.

-We are also starting to plan for the state contest in May.
