

DOCUMENTATION & SUBMISSION INSTRUCTIONS HP/MP CLASSIFICATIONS

The attached PowerPoint templates will be used for the 2021 Virtual State Conference. The PowerPoint template will serve two purposes:

1. Documentation
2. Submission of project file for judging. Submissions will be in the form of pictures and URL's.

Below is the Classification Reference chart to assist in determining which PowerPoint template is to be used for which project classifications.

HP5000-5382 - [Physical Project Template](#)

HP6000-7179 - [Digital Project Template](#)

HP7180-8110 - [Physical Project Template](#)

HP 8111-8117 - [Digital Project Template](#)

MP 2000-2097 - [Digital Project Template](#)

MP2099-MP2100 & 3200 - [Physical Project Template](#)

MP2101-2108 - [Digital Project Template](#)

MP2109-3127 - [Physical Project Template](#)

MP3128-3134 - [Digital Project Template](#)

Once a student has completed the documentation template, the PowerPoint file should be saved as a .PDF to upload into the Submittable submission system for judging. (Tutorial videos will go out on system after Spring Break).

In addition to submitting the documentation template, the submitter will be asked to submit one single photo or screenshot of the project to be used in the Virtual Project Showcase.
